Dear Commissioners:

On May 20, 2004 the Clermont County Township Trustees and Clerks Association voted unanimously to approach the Clermont County Commissioners in support of reinstating the position of County Historian and having Rick Crawford fill that position. We would like to be placed on the June 22, 2004 town meeting agenda; Ed Humphrey has been asked to be our spokesperson.

The trustees and clerks feel strongly that our County's history needs to be continually maintained by updates, research and documentation. Mr. Crawford has done a Herculean job in those tasks as well as disseminating our history.

We look forward to hearing from you.

Respectfully,

Joyce Ann Richardson
Secretary/Treasurer
